Faculty/Staff Bulletin Board Posting Policy

Note: The Student Bulletin Board Posting Policy is located on the Student section of the web-site.

- Posting for events and other campus activities should be displayed for a maximum of three weeks. Course information, academic programs, etc. may be displayed for the duration of a semester. Any postings that are worn, torn or otherwise distressed should be replaced sooner. The expiration date of all postings must be marked clearly in the lower right hand corner.
- Postings may only be placed in designated areas. There are 20 locations available for general postings, one location for the exclusive use of Student Organizations (in Pilla), and one for the exclusive use of personal postings (Mullen Commuter Lounge). The list of locations follows the description of the policy.
- One posting per event on each bulletin board is permitted.
- Postings indicating classroom assignments/changes and media/computer placements are only permitted on the small strips immediately adjacent to classrooms. Other existing strips may be used for general postings.
- Posting is not permitted on woodwork, doors, windows, walls or bulletin board frames.
- There shall be no posting of notices on any trees, buildings, utility poles or campus sidewalks. Sidewalk chalk is permitted on sidewalks only.
- Posters, promotional materials or decorations may not be suspended from any light fixture.
- Promotional materials cannot be suspended across the corridors of buildings, on the outside of buildings or between structures without special permission from the Facilities Department.
- Only pushpins are permitted for posting. Taped or stapled items will be removed.
- Postings must clearly indicate the sponsoring organization, and include a contact person or office and phone number.
- All postings must be removed by the sponsoring organization within 3 days after the event. Any posting that does not have the required expiration date will be removed.
