Experiential Education Student of the Month Nomination Form

Each month one student who is currently enrolled in either an internship or co-op is selected as student of the month for experiential education. Selection of students is based on exceptional performance, positive attitude, and outstanding representation of Ursuline College and the student’s academic department. We ask that the student’s faculty advisor and employer complete this form in nomination of the student. Please take a few minutes to complete this form and return via fax 440-449-2235 or email mcox@ursuline.edu to Meegan Cox Coordinator of Experiential Education. The student who is selected for student of the month will receive a lovely career preparation packet and will be considered for the Experiential Education Student of the Year.
