

PROFESSIONAL MEDICINE

RECOMMENDED COURSE OF STUDY

	Credits	Grade	If transferred, from where?
CH 105/L Principles of Chemistry I (3,1)	_____	_____	_____
CH 106/L Principles of Chemistry II (3,1)	_____	_____	_____
BI 200/L Biodiversity (3,1)	_____	_____	_____
BI 205/L Principles of Cell Biology (3,1)	_____	_____	_____
Math Elective (if needed) (3-4)	_____	_____	_____
CH 221/L Organic Chemistry I (3,1)	_____	_____	_____
CH 222/L Organic Chemistry II (3,1)	_____	_____	_____
PY 201/L General Physics I (3,1)	_____	_____	_____
PY 202/L General Physics II (3,1)	_____	_____	_____
MCAT Preparation Course (no credit)	_____	_____	_____
Independent Research/Internship No credit	_____	_____	_____

Please note:

1. This certificate includes basic, general pre-med prerequisites. Each medical school has specific requirements for admission, which may vary from those listed here. Check with individual medical schools to determine specific program prerequisites.
2. This certificate does not guarantee admission to a graduate school of medicine.

Total Credits: 32
