**Evening of Reflection-October 12 5:00pm-8:00pm**

Four Ursuline graduates will form a panel to address the topic TAKING CARE OF MYSELF SINCE I LEFT THE URSULINE PROGRAM. Brian Brookhart, Assistant Principal at Aurora High School, will focus on taking care of himself intellectually. Jennifer Berardinelli, Principal at Mary Queen of Peace Elementary, will center her remarks on taking care of herself spiritually and taking care of the small children in her family. Monyka Price, Educational Liaison for Mayor Frank Jackson in the City of Cleveland, will talk about taking care of herself physically and staying in shape. And, finally Kevin Buchman who has had four different jobs in the last four years will address taking care of himself professionally. The evening will begin at 5:00 in the Daley Dining Hall with piano music and a light supper of sandwiches, salad, soft drinks, and cake. At 6:00 the entire Educational Administration Program will adjourn to KLYN Hall in the Ursuline Motherhouse for the program. After the four presenters, there will be a sharing session so that everyone can talk about taking care of herself or himself. The Evening of Reflection is an annual event for the Educational Administration Program.
