2013-2014 Academic Year

HRSA Nurse Faculty Loan Program (NFLP) Grant

For academic year 2013-2014 Ursuline College was awarded the NFLP grant was for \$225,000.00 for students' education support.

16 individual students have received the NFLP funds.

Intraprofessional Education (IPE)

Seven MSN students participated in the Wade Park VA Interprofessional education grant in the Center of Excellence for Primary Care. Ursuline College faculty along with students have contributed to the development of the IPE through ongoing collaboration and networking.

IPE Primary Care Clinical Experience

Those students who were interviewed and selected from a highly competitive slate of MSN students included:

| | | |
|-------------------------|--------------------------|-------------------------|
| Kalinina, Iryna, | Laura Silversteyn | Tawanna McClain, |
| Kimberly Voegerl | Julie Kawalek | Juliana Klein |

NP Residency Program

In addition, two students were also chosen to participate in a post-graduation, post board certification IPE NP residency through the IPE grant. The students selected for the Center of Excellence IPE NP residency were:

Laura Silversteyn
Christina Vonhaz

2013 Graduate Nursing Colloquium,

The 2013 annual Graduate Nursing Colloquium was held on December 9, 2013 at the Corporate College in Cleveland Ohio. More than 300 guests, students, and faculty participated in this event. 72 Students presented their MSN program work through professional poster presentations. The posters and the event were positively received by all attendees as a showcase of scholarship and program integration.

The student presentations are listed next.

| Student Name | Poster Title |
|---------------------------|--|
| Abdelkarim, Fida Samir | Family Presence During Code Situations |
| Aguado, Kristin Nicole | Massage Therapy to Improve Symptom Management and Outcomes for Oncology Patients |
| Amir, Lena A | Introduction of the Lucas 2 Mechanical Compression Device |
| Berardinelli, Raychel Ann | Pain Level and the Effects of Therapeutic Touch in Patients Receiving Chemotherapy |
| Block, Sarah Brittany | RN Homecare Visits to Reduce Hospital Readmissions and Health Care Costs in CHF Patients |

| | |
|------------------------------|---|
| Boger, Andrea Ellen | Advanced Wound Dressings: Reduction in Pain and Infection |
| Bonomini, Maggie A | Implementation of a Nurse Specialist Patient Mentor in the Inflammatory Bowel Disease Setting and its Effects on Patient Satisfaction & Quality of Life |
| Bradford, Monique LaVerne | Prevention of Post-Thrombotic Syndrome |
| Burns, Shewanna | Tele-Health to Prevent Heart Failure Admissions |
| Bushman, Ashleigh | Increasing Medication Adherence In HIV-Positive Patients an Interdisciplinary Approach |
| Camarata, Stephen Vincent | Reducing the Prevalence of Central Venous Catheter Infections |
| Chandler, Jillian, BSN | Medication Reconciliation and the Advanced Practice Nurse |
| Christopher, Christina Marie | Catheter Associated Urinary Tract Infection Prevention Strategies |
| Cindea, Stacie Lynn | Parental Presence Decreases Anxiety In Perioperative Pediatric Patients |
| Ciufo, Susan, BSN | Oral Misoprostol for Labor Induction |
| Crumley, Carla Denise | Povidine Iodine Versus Chlorhexidine in Decreasing Surgical Site Infections |
| Dhanao, Amanvir K | Aerobic & Resistance Exercise Program Affects HbA1c Levels in Type II Diabetes |
| Dietz, Abbey C | Standardizing Discharge Education Provided to Colorectal Surgical Patients |
| Dion, Kelly M | Standardizing Heart Failure Education to Inpatients |
| Donley, Lindsey MacRae | Breastfeeding Reduces the Incidence of Childhood Obesity |
| Edgehouse, Kathleen Mary | The Role of Exercise In Improving Fatigue and Quality of Life in Cancer Patients |
| Fore, Latonya Sharis | From Hospital to Home Transitional Care Model Implementation in Managed Care |
| Gyurgyik, Carrie | Infection Monitoring |
| Hall, Melanie Yvette | Healing Hands are Clean Hands. Clean Hands Save Millions |
| Hamilton, Kiara Lynn , MSN | Standardized Pain Protocol for Neonatal Intensive Care Unit Patients |
| Honkala, Celeste Marie | Feeding Methods and Relationship to Gastrointestinal Maturation and Disturbance |

| | |
|------------------------------|--|
| Isaacs, Taryn Kristen | Utilizing the Hospital Anxiety and Depression Scale (HADS) for Early Detection of Depression in Adult Cancer Inpatients |
| James, Tameka N | Providing Postoperative Pain Management "On-Q" |
| Kalinina, Iryna | Impact of Visual Reminders on the Prevention of Ventilator Associated Pneumonia |
| Kall, Allyse | Incorporating Simulation Education Into the Experience Nurses Work Day Using Standardized Patients |
| Kampman, Betty Suzanne , BSN | Take Aim at Peripheral Arterial Disease |
| Kane, Maureen E | Nurse Practitioner Influenza Clinic in the Physician Office |
| Kirschner, Leslie | Shed the Light on Vitamin D |
| Kolic, Luke M | Delirium In The Older Adult |
| Laisure, Tina Marie | Chronically Ill Patients Participation in Group Medical Visit Have Reduce Emergency Department Visits and Hospital Stays |
| Legeza, Sara Elizabeth | Music Therapy to Relieve Antepartum Stress |
| Littner, Efrat, BSN | The Impact of the Clinical Nurse Specialist Role in the Critical Care Setting |
| McCarthy, Kathryn Anne | Antioxidants and Cancer Prevention |
| McClure, Tara, BSN | Family Presence during Adult Cardiopulmonary Resuscitation |
| McHugh, Cara E | A Need for Change in End-of-Life Care for Cancer Patients in Intensive Care |
| McKee, Marvelyn L. | Discharge Lounge to Improve Hospital Throughput |
| Megery, Amy Beth | Preconception Care and Pregnancy: An Improvement in Fetal Outcomes |
| Merrill, Lauren Elizabeth | Family Centered Care |
| Michelson, Karen | Petroleum Versus Topical Antibiotic Use in Dermatology |
| Murphy-Bryner, Jayne M | Increasing Pneumococcal and Influenza Vaccination Rates |
| Myers, Shellie Louise | African American Beliefs and their impact on the Treatment of Hypertension |
| Nickens, Nicole Denise | Children with Oppositional Defiant Disorder |

| | |
|----------------------------|--|
| Odom Reynolds, Stephanie | Pressure Ulcer Healing and Nutrition in the Long Term Care Resident |
| Page, Denise Louise | CYSTIC FIBROSIS THERAPY The Proper Use of Airway Clearance |
| Paris, Joni R | Food Choices Enhance Resolve of Postoperative Ileus |
| Payne, Ann Stone , | Childhood Obesity Prevention |
| Phillips, Jennifer Ann | The Use of the Knee Immobilizer to Prevent Patient Falls with the Femoral Nerve Block After Knee Replacement Surgery |
| Pilarczyk, Briana Lynn | Poly-Pharmacy and the Older Adult |
| Portnoy, Edie | Effectiveness of Music on Anxiety Levels in Mechanically Ventilated Patients |
| Pronty, Bernadette | Sickle Cell Algorithm Improves Quality of Care and Decreases Hospital Costs |
| Renzulli, Traci Ann | Methicillin-Resistant Staphylococcus Aureus Improving Patient Outcomes through Concise Documentation |
| Rex, Andrea L | Therapeutic Hypothermia Prevents Poor Neurological Outcomes Post Cardiac Arrest |
| Rucker, Angalesia | Expanding Family Planning Services |
| Silversteyn, Laura, | Nutrition Guidelines for Irritable Bowel Syndrome |
| Slocombe, Kimberly | Daily Chlorhexidine Gluconate Baths to Reduce Central Line Infections |
| Stauffer, Jennifer Mary | Use of Home Blood Pressure Monitoring (HBPM) to Reduce Hypertension (HTN) and Reduce Costs |
| Stevens, Tyecia Mone' | Discharge Plan to Reduce Barriers to Transition and Readmissions Rates |
| Sulzer, Michelle | Alternative Therapies as an Adjunct Therapy in Pediatric Oncology |
| Taylor, Stacie Marie | Clean Technique for Central Venous Catheter Dressing Changes |
| Thombs, Natalie M | Standardized Anticoagulation Education to Reduce Adverse Outcomes |
| Todd, Joshua L | Reducing Surgical Site Infections in the Operating Room |
| Tucker, Carrie Ann | Early Ambulation Versus Bed rest with Deep Vein Thrombosis (DVTs) |
| Vonhaz, Christina Gertrude | Capnography: A life Saving Clinical Tool to Improve Patient Safety |

| | |
|------------------------------|---|
| Watson, Yaleita | Improving Diabetes Management with the Continuous Glucose Device (CGD) |
| Wheaton, Laura Susan | The Confusion Assessment Method: Improving the Recognitions of Delirium |
| Whetsel, Tambert Joyce , BSN | Nurse Navigators Improve Oncology Patient Satisfaction |
| Yun, Jane | Complementary and Alternative Medicine (CAM) for the Hospitalized Patient |

Graduate Nursing Student Scholarship:

2014 MNRS Annual Conference:

Traci Evans-Walker, Poster Title: A systematic Review of Health Literacy Interventions for Kidney Transplant Recipients

Jennifer Hudak, Poster Title: A Systematic Review of TeamSTEPPS in Intraprofessional Education

Kathleen Rogers, Poster Transitioning Older Adolescents Living with Autism Spectrum Disorder to a Medial Home: A Systematic Literature Review

Allyse Kall-Driving the Future: Kent State University March 11, 2014 Poster Presentation: Incorporating Simulation Education into the Experienced Nurses Work Day Using Standardized Patients.

Henny Lukas- DNP Student:

Robinson Memorial 20th Annual Research Conference, Podium Presentation: Use of Tailored navigation to Increase Colorectal Cancer Screening

Mary Davis-McLaughlin- DNP Student:

Podium: Patient Activation to Transition the Patient from Hospital to Home: National Transition of Care Coalition Cleveland, Ohio, 2013

Podium: Patient Activation to Transition the Patient from Hospital to Home: Cleveland Clinic Case Management Week, October 2013

Podium and Poster: Patient Activation: Cleveland Clinic, 2014 Patient Experience Empathy and Innovation Summit, May 18-21, 2014 Cleveland, Ohio

Poster: The Patient Navigator, CMSA Cleveland, Ohio June 2014

Podium: Patient Activation, CMSA Cleveland, Ohio June 2014

Accepted Presentation

Poster: Patient Activation: DNP National Conference Nashville, TN. October 2014

Laura Goliat-DNP Student:

Goliat, L., Sharpnack, P., Madigan, E., & Baker, J. (2014, March 28-29). Using TeamSTEPPS® resources to enhance teamwork attitudes in baccalaureate nursing students. 38th Annual Research Conference Midwest Nursing Research Society (MNRS). St. Louis, MO. Podium Presentation, Peer reviewed.

Goliat, L., Sharpnack, P., Madigan, E., & Baker, J. (2014, May 27-29). Using TeamSTEPPS® resources to enhance teamwork attitudes in baccalaureate nursing students. 2014 QSEN National Forum. Baltimore, MD, Podium presentation

Goliat, L., Sharpnack, P., Madigan, E., & Baker, J. (2013, November). Using TeamSTEPPS® resources to enhance teamwork attitudes in baccalaureate nursing students. Association of Indian Physicians of Northeast Ohio-2013 Annual Research Showcase. Cleveland, OH. Poster Presentation, Peer Reviewed.

Goliat, L., Sharpnack, P., Madigan, E., & Baker, J. (2013, October 24). Using TeamSTEPPS® resources to enhance teamwork attitudes in baccalaureate nursing students. 23rd Annual OAAPN Statewide Educational Conference and Meeting, Columbus, Ohio

Timothy Larsen DNP Student:

Poster Presentation: Community Based Wound and Ostomy Care. 8th International Nurse Practitioner Conference in Helsinki, Finland. August 18-21, 2014.

Kathy Rogers DNP Student:

Poster Presentation: Older adolescents living with Autism Spectrum Disorder to a medical home: a systematic review of evidence-based models. (October 24, 2013).OAAPN annual conference, Columbus, OH.
