

*Where are they now?*

**URSULINE EDUCATION GRADUATE SPOTLIGHT**

.....

**URSULINE...**  
*taught me how  
to teach*

**NATALIE HUGGINS** *class of 2015*

*7th grade English teacher, Shelby Middle School, Shelby, OH*

When I decided to major in education, I felt like I chose correctly, but as I met and connected with the education faculty, I knew I chose the right field and the right college. I made a connection with them much like many of the other connections I made at Ursuline. I was involved with so many great faculty members during my time at Ursuline, all of whom encouraged and fostered my individuality.
