Pepper Pike
A Great Place to Live!

Just a 30 minute drive from Public Square in downtown Cleveland is the City of Pepper Pike, Ohio. Originally part of Orange Township, Pepper Pike became a Village in 1924, and has successfully maintained its Village feel and charm throughout the years.

Part of the Chagrin Valley, the terrain is gently rolling with many homes on wooded lots of one acre or more, affording privacy and views.

Education has always been a focus of the community. Pepper Pike is part of the Orange School District, which is in the top 150 school districts in the USA. Orange High School is ranked the 6th best high school in the State of Ohio. Pepper Pike is also home to Ursuline College. The liberal arts college was founded in 1871, and was the first in Ohio to be chartered for the education of women. While their enrollment is still largely female, the college is now co-ed, with a student-faculty ratio of 10:1.

Pepper Pike is home to two golf clubs, Pepper Pike Country Club and The Country Club, and also The Cleveland Racquet Club. There is a progressive Senior Center, community pool, extensive recreation programs, and a City Park.

Locally, residents enjoy shopping at the Landerwood Plaza. Beachwood Mall and Legacy Shopping Village is only two miles away and both offer many upscale shops and restaurants. University Circle, home to many museums, John Carroll University, the Cleveland Orchestra and Murray Hill is only a 20 minute drive away.

All of this makes Pepper Pike a Blue-Ribbon community that is often voted to be one of the best suburbs in the Greater Cleveland area.
