Music
Nutrition
Organic Chemistry
Painting
Philosophy
Physical Science
Plant and Animal Biology
Political Science
Phil./Marketing
Printmaking
Psychology
Social Work
Sociology
Sport Management
Studio Art
Ursuline Studies (Core Curriculum)
Visual Communication Design
Women's Studies

Accelerate your BSN through CCP

Ursuline’s Breen School of Nursing is a regional leader with a 100% job placement rate, nationally known faculty, and prestigious reputation in the healthcare community. Ursuline’s new 2-year BSN offers an accelerated path to success. CCP students who complete the following prerequisite courses in high school and go on to gain admission to Ursuline’s 3-year cohort can complete a BSN from Ursuline in as few as 2 years of full-time study (includes summers).

Take Your Creativity to the Next Level

Ursuline is a perfect place for creative high school students to enrich skill sets in:

Art: The only program in the region that integrates art and activism, students can display work in an on-campus gallery and specialize in painting, drawing, metals, ceramics, or digital design.

Art Therapy: One of just two colleges in Ohio to offer a path to this career, Art Therapy blends art and counseling. Students can pursue an accelerated path to a Master’s degree and professional counseling licensure.

Fashion: Ursuline’s nationally ranked fashion program gives students access to fundamental skills and innovative projects, including the construction of dresses from unique materials, on-campus fashion shows, study-trips, and internships in Paris and New York.
About CCP at Ursuline

Ursuline’s College Credit Plus (CCP) program gives high school students the opportunity to enroll in classes on the Ursuline College campus either full or part time. College credit earned may also be used to fulfill high school graduation requirements.

There are two options for CCP at Ursuline:

1) Tuition, books, and fees are paid by the school district and college. Student elects to receive college and high school credit. You must select college courses that meet high school graduation requirements.

2) Family pays tuition, books, and fees.

Is CCP right for me? Admission to this program is offered to students who are prepared for college level work and can meet clear admission requirements to college prior to the completion of high school. CCP is a way to explore careers and accelerate your path to a degree.

Ursuline is one of the most unique college environments available to you. Ranked the #9 Women’s College in the US, 90% of Ursuline undergraduates are women. In small classes, faculty empower students to develop confidence, find a courageous voice, and build academic and professional skills. Ursuline has the second best annual return on investment in Ohio (earnings of graduates compared to net price of degree). Ursuline’s core values: respect, spirituality, student focus, and collaboration, define the community.

Admission Criteria

Ursuline College will review all application materials holistically to determine CCP admission, using the same procedure and requirements for first-year student applicants. This process assesses college preparatory curriculum and achievement, personal qualities, writing ability, and standardized test scores.

CCP applicants must provide the following to complete the application process:

- Completed Application for CCP Admission with parent and counselor or principal signatures and recommendation, submitted to the Office of Admission.
- Official High School Transcript
- Results from the ACT or SAT

To meet CCP admission requirements, applicants must qualify for clear admission to the college and provide ACT or SAT scores that meet requirements for placement into college-level, non-remedial courses at the college. Please note that in a holistic review process, meeting minimum scores does not guarantee admission.

To qualify for clear admission and placement, applicants must exhibit the following:

- A GPA of 2.75 or higher in rigorous college preparatory courses
- Clear evidence of college-level writing skills
- Minimum composite of 21 (ACT) or 990 (SAT) minimum subscores of at least:
  - 18 (ACT) in Reading and English or 470 (SAT) in Critical Reading
  - 20 (ACT) or 480 (SAT) in Math
  - 8 (ACT) or 470 (SAT) in Writing

Cost to Attend

Students pursuing Option 1 elect to receive dual college and high school credit, and tuition and fees are covered by the student’s school district. Students pursuing Option 2 elect to receive dual college and high school credit, and tuition will be charged at the reduced district rate of $160/credit hour, as well as associated books and fees.
