### Accessing Online Registration:

To access online registration, returning students must do the following:

- Schedule an appointment with their academic advisor-after the course schedules are published. Registering online requires that the advisor grant registration clearance. Therefore, only students who have met with their advisor and have been granted clearance will be able to register online.
- Have a login and password to My Ursuline via the Ursuline College Homepage.
- New students entering in Fall 2018 will meet with an advisor during Orientation.
