FOCUS FACT SHEET

The FOCUS program provides students with documented disabilities a comprehensive support program while at Ursuline College. The FOCUS program is aimed at:

- Helping students make the transition into college life
- Guiding students to the appropriate campus resources
- Working with students on self-advocacy
- Developing strategies with students to apply to academic success---examples may include: time management, organization, and study skills

The FOCUS program is offered in multiple phases to better meet individual students’ needs.

FAQ’s of FOCUS:

How do I apply to be a member of the FOCUS program?
- To be eligible for the FOCUS program, students must first meet the admissions requirements of Ursuline College and be accepted to Ursuline College. Once admitted to Ursuline College, students should contact the FOCUS program coordinator to apply.

Is FOCUS available during the summer?
- FOCUS Stage 4 is available during the summer semesters. Schedules will be based on the student’s needs. Please contact the Disability Specialist to get more information.

What is required to be in the FOCUS program?
- Students must have a diagnosed disability and provide up-to-date appropriate documentation stating the disability. A psychosocial evaluation, IEP or a 504 plan are acceptable examples of documentation. Prescriptions from doctors are NOT considered acceptable forms of documentation.

Is there a fee to participate in the FOCUS program?
- The fee for the FOCUS program varies depending on the phase that a student enrolls in. FOCUS Stage 1 is $1450 per, FOCUS Stage 2 is $760 per semester, FOCUS Stage 3 is $2000 per semester, and FOCUS Stage 4 is $400 per semester.

Do FOCUS students take the same classes that other students take?
- Yes, students enrolled in the FOCUS program must take the same classes and meet the same expectations as any other student at Ursuline College.

What if I haven’t been diagnosed with a learning disability but still think I need to be in FOCUS?
- Only students with documented disabilities can be accepted into the program. However, students who believe they may have a disability could be evaluated to determine if they have a disability. Contact the Disability Specialist who can provide the student with local testing center information.

Why are there different levels in FOCUS?
- The FOCUS program is structured to meet the individual student’s needs. Therefore, students choose which phase they feel will best meet their academic needs. Students are under no obligation to stay in any specific Phase during their academic careers. Different phase levels provide coaching and mentoring with the Disability Specialist at a more or less intensified level. Students can fluctuate between levels at the start of the new semester.

How do I find out more about the FOCUS program?
- Students and parents can find out more about the program by contacting the Disability Specialist at Ursuline College. We hope to hear from you soon!

**Please note: Summer options for FOCUS may be available upon request at a reduced cost. Please contact the disability specialist for further information!
