Heidelberg Student Admission Procedures

a. Application to UC is made through the UC Admissions Office/Liaison to the Breen School of Nursing (Coordinator of BSN Enrollment). As part of the application process, students will provide the appropriate permission for HU to provide necessary documents to support a student’s application. Acceptance into the Program and into UC shall be at the sole discretion of UC. The student’s application does not guarantee acceptance. Notwithstanding the fact that an applicant meets or fulfills acceptance requirements, UC reserves the right to accept or deny any applicant.

b. Students must submit a completed application that will include the following:

i. Completed Ursuline College application form;

ii. Official transcripts from HU;

iii. Three letters of recommendation including that of the Health Professions Advisor at HU;

iv. 1-2 page double-spaced essay that describes the student’s rationale for selecting nursing as a career; and

v. Any other supporting documentation required by UC.

c. Acceptances to the UC BSN program prior to the end of a student’s junior year shall be conditional, with formal admission contingent upon the student’s final grade point average and academic requirements at the end of the junior year meeting the Program requirements. Students must provide UC with a final transcript prior to a final decision being made by UC. Final acceptance into the Program is contingent upon the issuance of a written statement from UC confirming said acceptance into UC.
