

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information you and your spouse (if applicable) reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. **You and your spouse (if applicable) must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Financial Aid Office (Mullen Building, Room 203).** We may ask for additional information after this has been submitted. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

This form will be rejected if it is incomplete or illegible...please complete carefully!
