

Admissions Checklist

Application Requirements

- Application and essay
- Application fee
- Official transcripts from all institutions attended
 - For international transcripts: official translations and evaluations of all transcripts or educational credentials via the World Education Services, Educational Credential Evaluators or Global Credential Evaluators
- Two recommendations
 - One recommendation from applicant's immediate supervisor
 - One recommendation from a professional colleague
- Resume or CV

Academic Requirements

- A baccalaureate or graduate degree in nursing from a regionally accredited university, or a comparable equivalent degree from an international institution as determined by an approved credentialing evaluation service
- Minimum cumulative GPA of 3.0 based on a 4.0 scale, based on the combined academic record from all colleges and universities attended
- Minimum overall prerequisite GPA of 3.2, calculated from all coursework completed in Chemistry, Statistics and Anatomy & Physiology (excluding separate laboratory courses). At least one course from each of these categories must have been completed within 10 years of the application deadline

Professional Requirements

- Current unencumbered RN license within one of the 50 states or U.S. Territories
- Current Critical Care Registered Nurse (CCRN) certification
- Minimum of one year of full-time critical care experience as a Registered Nurse
- Observation of a CRNA for at least 8 hours within the last two years
