2021-2022 Time Sheet Due Dates and Guidelines

It is the student’s responsibility to make sure that the completed time sheet is submitted to the Financial Aid Office by the due date each month in order to be in that month’s payroll.

Please do not make copies of the time sheets. The only time sheets that will be accepted are the blue sheets that are available in the Student Service Center (Mullen 203).

Time sheets must be turned in each month.
- A separate time sheet must be completed for each month.
- All information must be filled in on the time sheet.
  - Date, Time In, Time Out, Hours Worked and signatures
- If you are working more than 6 hours, you are required to take a ½ hour break.
  - You must show this by splitting your shift on your time sheet into two separate entries on that day.
- You are limited to a maximum of 20 hours per week.

Paychecks will be mailed on the 15th of each month to your home address listed in the system. If the 15th falls on a Saturday or Sunday, paychecks will be mailed the preceding Friday.

If you have any questions or concerns regarding the Federal Work Study Program, please contact the Financial Aid Office.
